## AKC NATIONAL OWNER-HANDLED SERIES SATURDAY & SUNDAY

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

**“DON'T FORGET TO CHECK THE  
OWNER-HANDLED BOX ON THE  
ENTRY FORM IF ENTERING  
THIS COMPETITION.”**

All dogs that are owner-handled and are not exhibited in the National Owner-Handled Series by professional handlers\* meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the steward's book & the catalog. **Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and current assistants to professional handlers may not exhibit the dog in any AKC National Owner-Handled Series competition during the entire show. A current assistant is defined by anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any show during the cluster/weekend, however current assistants that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may participate in NOHS.**

Owner-Handled Best of Breed will be selected from the dogs that are competing in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed, or in Best of Winners competition.

*\*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.*

Puppy, 6 months & under 9 months	Bred-By-Exhibitor Puppy
Puppy, 9 months & under 12 months	Bred-By-Exhibitor Adult
12-18 Months	American Bred

Best of Breed Competition

### **Non-Regular Classes Involving Single Dog Entries**

*Winners from these classes are eligible, if undefeated in another class, for Best of Breed competition*

The following non-regular classes will be provided for both dogs and bitches

Entries in the Veteran classes need not be intact.

**Veteran 7-9 Years Class** - 7 Years and Under 9 Years on the day of the show

**Veteran 9-11 Years Class** - 9 Years and Under 11 Years on the day of the show

**Veteran 11 Years & Over Class** - 11 Years and Older on the day of the show

**Field Class** - For Dogs and Bitches who have an AKC Hunting title. Entries in Field Class need not be intact.

### **Non-Regular Classes Involving Multiple Dog Entries (National Specialty Only)**

**Stud Dog Class** – For Stud Dogs and three of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition, and must be entered in the Stud Dog class as an “Additional Class.” The Get must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition.

*The Stud Dog* shall be considered one entry and requires one entry fee. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the dog show rules, AKC policy, or the standard of the breed.

**Brood Bitch Class** - same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

\*Chapter 11, Section 8 of the "Rules Applying to Dog Shows" provides that a neutered male may be entered as a Stud Dog in the Stud Dog Class and a spayed Bitch may be entered as a Brood Bitch in the Brood Bitch Class.

**Brace Class** (Two dogs of the same breed, one or more common owner) – The dogs comprising a Brace must be named at the time the entry is made. If a dog which is to be part of the Brace is not entered in another class, it must be entered for “Brace Class Only”. In making entries for “Brace Class Only,” full particulars must be given for each dog using the individual, regular entry forms. An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for “Additional Class.” If more than one Brace is entered by the same owner, the dogs comprising each Brace must be designated “Brace No. 1,” “Brace No. 2.”

*As the judge's decision in the Stud Dog, Brood Bitch, and Brace classes will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won either of these classes.*

### **\*\*Points Available for Reserve\*\***

The Spinone Club of America will award at both the Parent and the National specialty a three point major to Reserve Winners Dog if the Regular Class Dog entry is twice the required number for a five point major in the division where the National Specialty is held.

Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent or Show Secretary prior to the judging of the class at the show.

**Open Class** - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who have won three (3) first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show.

## 2025 Spinone Spectacular

*For Spinoni that are outstanding in their field!*

**Monday, March 17, 2025**

**6:30pm, Main Building**

**Charcuterie Grazing Table**

Come and celebrate the achievements of our breed in all the many activities in which they participate. Spinoni are primarily versatile hunting dogs, but also excel in many other activities such as AKC conformation events, obedience, rally, agility, coursing, scent work, as service and therapy dogs, and more. They achieve recognition in **Hunting, Conformation and Other Performance, Companion and Title Recognition** categories, but we also want to recognize them at our National Specialty.

All participants will receive a custom rosette and strut their stuff at the National. Exhibitors may submit photos, pedigree, and their dog's accomplishments which will be part of slide shows for each of the three categories, acknowledging their outstanding achievements, to be posted on the SCOA website. Since this is the first year for this event, participants in the Hunting, and Other categories may include any living dog (meaning their accomplishments might be from previous years, not just titles earned in 2024).

## The Spinone Club of America needs your help to make the 2025 Auction a huge success!

Click here to [Get Involved — Spinone Club of America](#)

The 2025 National will be here before we know it, and with all the committees working hard to make the entire event a success, including the Auction committee, we need your help. We want this Auction to be a lively and entertaining night, but we need your support and help to make this happen. We are in need of donations from any and all members, friends, and fanciers of Spinoni to be auctioned off at the Specialty. Items do not need to be Spinone themed, although these items are always popular and tend to bring in the highest bids.

Other well received items are unusual or unique art pieces. Or perhaps you know someone who does quilting, embroidery, painting, metal work? A donation can result in future sales for them! Do you do business with someone who could donate an item? State themed baskets are always a fun idea, so consider getting together with others from your area and putting together a basket of local and regional goodies. Not sure what to get – gift certificates to national chain stores or popular online stores make it possible for the winner to select what they need or want. The possibilities are endless.

Large items will be auctioned individually, either in the live auction or in the silent auction. Smaller items are welcomed too! They may be paired with other like items to make up a themed basket, or used in a bag raffle.

All proceeds from the auctions are split 50-50 between SCOA and Spinone Rescue. What are those proceeds used for? Glad you asked. Read on...

*From Patti Johnson (Rescue): We are happy to once again partner with the Spinone Club of America at this year's 2025 Spinone National Specialty auction. Proceeds from the auction are divided equally between Spinone Rescue and the Spinone Club of America. This eliminates the need to label items individually either for Rescue or for SCOA. It also makes payment and record keeping so much easier for everyone involved.*

*In one 12 month period, encompassing part of 2023 and part of 2024, our vet bills for Rescue exceeded \$15,000. Thankfully, we had the funds to make sure these dogs could receive the medical care they needed. Without the support of Spinone enthusiasts we could never do this and we are eternally grateful for those of you who support Rescue with monetary donations throughout the year as well as those who donate to the annual auction. We are also thankful for the endless support of the Spinone Club of America, its members, and its officers.*

*So please remember that every donation made to the 2025 National Specialty auction serves 2 purposes. It helps to offset the cost for the yearly event and it also helps Spinone Rescue to continue to help the dogs that need us the most.*

*From Ann Bagnell (SCOA President): The other 50% goes to the general funds of SCOA. They offset costs of the National Specialty itself, allowing us to run seminars and other events, bring in judges, and pay for facilities. In addition, general funds are used for all the club activities and expenses throughout the year, including the website and the various subscription products needed to maintain the site, health webinars and other committee activities, and the everyday business of the club.*

# National Specialty State Raffle

Please join us for our “State Basket Raffle” at the 2025 SCOA National Specialty Week. We are asking for members from every state to put together a basket with items of any kind that represent their state, but please remember that this is a family event! The baskets will be raffled off on Tuesday, March 18, 2025 at the auction! If you would like to join with other members of your state to put together a basket, but do not know who to contact in your state, log into the members only section of the website where you will find a current list of members sorted by zip code. If you have any questions about anything auction related, please feel free to contact
