Pee Wee Competition

SATURDAY NOON

ENTRY FEE: FREE

Sign up at Club Table Day of ONLY

The Pee Wee Special Attraction is a pre-Junior Showmanship class. The Pee Wee class is geared toward children 5 to under 9 years of age at all shows offering Pee Wee.

Each Pee Wee unit consists of the child, his/her parent/guardian/responsible adult, and the dog. Only one Pee Wee unit is in the ring at a time. This is not a competitive class, but rather a fun, learning experience for the child and the adult.

- A dog must be at least four months of age to enter the Pee Wee class.
- Bitches in season will not be allowed to participate. If pre-entered, a dog may be substituted that meets the eligibility requirements as specified by the club.
- All dogs entered must have the proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring. The adult is to maintain control of the dog outside of the ring.
- At an All-Breed event, all AKC fully recognized and Miscellaneous Class breeds are allowed to enter, including dogs with a PAL listing.
- In addition to an entry, a release must be signed by the child's parent or legal guardian. Release forms will be available at the show.

The safety of both the dogs and Juniors inside and outside the ring is a primary concern. Outside of the ring, the dog is to be controlled by the adult accompanying the child. An additional lead, provided by the Club, will be at the Judge's table. At the Judge's discretion based upon the size of the child and the dog, for safety purposes the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together.

Although the word "judge" will be used, this is designed to be a learning and mentoring experience—no Junior will be "judged" but rather will be mentored with the age appropriate amount of information to help prepare them for what they will be expected to know about AKC regular Junior Showmanship once they reach 9 years of age. The children will be mentored one child, their adult, and dog in the ring at a time. Each child will receive a participation Rosette and each dog will receive a squeaky toy to commemorate the experience! The Judge should explain the process of showing the dog to the Junior and the responsible adult in the ring including breed specific presentation. Depending on the size of the dog and the child, the adult may be asked to lift a table breed on or off the table, or the Club may mandate that the adult should do it regardless. Neither the youngster nor the adult should be asked to show the bite.

Waivers will be available at the Club Table.

Novice Intermediate 12 & under 15 yrs • Open Intermediate 12 & under 15 yrs

Novice Senior 15 & under 18 yrs • Open Senior 15 & under 18 yrs

Master Class

Novice Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent or Show Secretary prior to the judging of the class at the show.

Open Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who have won three (3) first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show.

Master Class - will be for boys & girls who are at least 9 years old and under 18 years on the day of the show, and who have won 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to complete for the following year.

No entry may be changed or cancelled unless notice of the change or cancellation is received in writing by the Superintendent or Show Secretary named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer is made by the Superintendent or Show Secretary prior to the judging of the class at the show.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry.

You may obtain your junior identification number by calling the AKC, Judges Education Department (919) 233-9767.

FSS OPEN SHOW

An FSS Open Show is an informal American Kennel Club sanctioned conformation event at which Championship points are not earned but rather Certificate of Merit (CM) points are awarded to this introductory AKC conformation suffix title. The FSS Open Shows are events at which dog clubs, judges, stewards, and exhibitors and their dogs gain experience needed for licensed events.

All of the Rules Applying to Dog Shows will apply to sanctioned FSS Open Shows, except where otherwise stated in these Regulations which are subject to amendment by the AKC Board of Directors.

- Dogs must be at least 4 months of age on the date of the event.

The following breed classes will be offered at the FSS Open Shows:

(All Classes Divided by Sex)

4-6 Month Puppy Class • 6-9 Month Puppy Class • 9-12 Month Puppy Class
Bred By Exhibitor Class • Open Class

- Miscellaneous breeds will be considered equivalent to a Group.
- The Miscellaneous Class winner will compete with the Group winners for Best in Show.
- FSS breeds will be considered equivalent to a Group.
- The Best FSS winner will compete with the Group winners for Best in Show.

FSS Open Show Entry Restrictions

- Dogs less than 4 months of age are ineligible to be on the grounds of licensed or member shows during AKC events.
- Dogs are required to be vaccinated in accordance with their veterinarian's protocol (including rabies vaccination) in order to avoid inadvertent transmission of illness by/to puppies not yet fully immunized.
- Professional handlers or agents are only permitted to exhibit in FSS Open Shows if they are listed as an owner of record of the dog being exhibited. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay.
- No judge or any person residing in the same household with a judge shall exhibit or act as agent or handler at an FSS Open Show at which they are officiating as judge and dogs owned wholly or in part by such judge or any member of their household shall be ineligible to be entered at the show. Subject to the foregoing, members of a judge's immediate family who no longer reside in the same household may enter or handle a dog at a show if the judge is not officiating over any competition, including a group class or best in show, for which the dog is entered or may become eligible.
- No dog is to be judged if it is brought into the ring bandaged, taped, glued or stitched anywhere including ears or tail. These dogs must be excused from judging but, at the judge's discretion, may return to be judged after the tape or bandage is removed.
- The show chair is required to be a member of the show-giving club.
- The show results and event service fee of \$2.00 per entry must be submitted to AKC Event Operations within seven (7) days of the event.
- Dealing with Misconduct will be applicable to any person and dog entered in this competition.
- FSS Open shows must be judged by judges that have an AKC judges number.
- Judges are expected to comply with Rules Applying to Dog Shows and Rules, Policies, and Guidelines for Conformation Dog Show Judges except as follows:
 - Breed standard disqualifications (i.e. color, height, full dentition, etc.) need not be considered in the 4-to-6 Month Puppy classes and male puppies without 2 fully descended testicles need not be disqualified or excused in the 4-to-6 Month Puppy class but the judge's book must describe the condition.
 - In all other classes, male puppies without 2 fully descended testicles need not be disqualified but should be excused and the judge's book must describe the condition and Certificate of Merit points withheld.
- The speed of judging expectation is reduced to 20 dogs per hour in order to accommodate puppies and inexperienced exhibitors. Judges should interact and encourage exhibitors in order to make their exhibiting a positive experience.
- Judges may ask exhibitors if they prefer to open their dog's mouth for examination. However judges have the authority to personally open the dog's mouth.
- No protests against dogs for height, weight or any other breed specific disqualification may be entertained at FSS Open Shows.
- A dog with a disqualifying condition or behavior shall not be disqualified but shall simply be excused for the day. The judge may only disqualify dogs for attacking in the ring.

Ribbons and Trophies

Ribbons for classes, Groups and Best in Show will be as follows:

- First Prize – Rose • Second Prize – Brown • Third Prize – Light Green • Fourth Prize – Gray

- Best of Breed – Orange • Best of Opposite Sex to Best of Breed – Lavender
- Best in Show – Pink & Green

All trophies or prizes offered must be awarded for outright award to the owner of the dog.

Certificate of Merit

The Certificate of Merit (CM) title is an introductory title to AKC conformation events. Entrants in each breed shall compete for Best of Breed and Best of Opposite Sex to Best of Breed.

Winners of the Best of Breed in each of the individual breeds will be awarded points toward the CM title based on the number of dogs competing in their breed. Best of Opposite Sex to Best of Breed in each of the individual breeds will be awarded points towards the Certificate of Merit (CM) title based on the total number of dogs competing in their sex. Group winners will be eligible for the points based on the total number of dogs that competed in the Group. Best in Show will be eligible for the points based on the total number of dogs that competed in the show.

4-6 Month Beginner Puppy Competition

Section 1- Classifications

The Four-to-Six Month Puppy competition shall be for dogs that are four months of age and over but under six months on the day of the event. Classes will be offered for breeds and varieties and divided into Groups as described in Chapter 3, Section 1 of the Rules Applying to Dog Shows and the Miscellaneous Class breeds as listed in Chapter 3, Section 23. The Miscellaneous class competition will be the equivalent of Group competition and the winner will be eligible to compete in Best Four-to-Six Month Puppy in Show. The FSS competition will be the equivalent of Group competition and the winner will be eligible to compete in Best Four-to-Six Month Puppy in Show.

Section 2 - Entry and Eligibility
