Optional Titling Classes (Each Trial)

Beginner Novice A • Beginner Novice B

Non-Regular Classes (Monday Trial) Veterans

Non-Regular Classes (Tuesday Trial) Brace • Team

Team Class: This Class will be for teams of any four dogs that are eligible under these regulations. Five dogs may be entered, one to be considered an alternate for which no entry fee will be required. However, the same four dogs will perform all exercises. Dogs may be handled by the owner or any other person, need not be entered in another class at the same trial, and need not have obedience titles. A separate official entry form will be completed in full for each dog entered. No dog will be entered on more than one team. There will be two judges, one of whom will call orders while the other scores the team’s performance. The teams will be judged one at a time, except for the group exercises, which will be done with no more than four teams (16 dogs) in the ring. The dogs on a team will perform the exercises simultaneously and will be judged as specified for the Novice Class, except that a Drop on Recall will be used in place of the Recall exercise. In all exercises except the Drop on Recall, the teams have the option of executing the judge’s orders on the team captain’s repeat of the command. In the Figure Eight portion of the Heel on Leash exercise, five stewards will be used. The stewards will stand 8 feet apart in a straight line. Each handler, with the dog sitting in heel position, will stand about equidistant from each of two stewards with all members of the team facing the same direction. On orders from the judge, the team will perform the Figure Eight, each handler starting around the steward on his/her left and circling only the two stewards between whom he/she had been standing. In the Drop on Recall exercise, the handlers will leave their dogs simultaneously on order of the judge. The dogs will be called or signaled in, one at a time, on a separate order from the judge to each handler. Handlers will, without any

additional order from the judge, command or signal their dogs to drop at a spot midway between the line of dogs and the handlers. Each dog will remain in the down position until all four have been called and dropped. The judge will give the order to call the dogs, which will be called or signaled simultaneously. The finish will be done in unison on order from the judge.

Veterans Class: This class will be for dogs that have an AKC approved obedience title and are six (6) years or older on the date of the trial. The exercises shall be performed and judged as in the Novice Class. Dogs may be entered in another class or classes.

Brace Class: This class will be for two dogs that are eligible under these regulations and capable of performing the Novice exercises.
