## Trick Dog, CGC, & CGCA Tests Each Afternoon

The American Kennel Club's Canine Good Citizens Program is a two part program that is designed to (1) teach responsible dog ownership to owners and (2) certify dogs that have the training & demeanor to be reliable, well-behaved members of their families and communities. The purpose of the Canine Good Citizen Program is to ensure that our favorite companion, the dog, can be respected member of the community because it is trained and conditioned to act mannerly in the home, in public places and in the presence of other dogs.

The Canine Good Citizen is a Test of your dog's manners and training is but not a competition and does not require the owner/handlers and dog to perform with precision. Handlers may talk to their dogs throughout the test but cannot offer food or a toy.

The Canine Good Citizen Test is open to **purebred** dogs – both **registered** and **unregistered** that are 6 months old or older.

At check-in, the owner or handler **must** present a current rabies certificate. A rabies tag is not sufficient proof of rabies vaccination.

All tests must be performed on-leash. Dogs should wear well-fitted buckle or slip collars made of either leather, fabric or chain. Special training collars or devices (e.g. pinch collars or "head halters") are not permitted. The leash should be made of leather or fabric.

Dogs must be healthy, in good condition and clean to pass the test. If the dog's appearance has been noticeably affected by a medical condition, the owner must provide at check-in, a letter of explanation and release from the dog's veterinarian.

### **The dog must Pass each of the following 10 test categories:**

- |                                  |  |
|----------------------------------|--|
| 1. Accepting a friendly stranger | 6. Sit and down on command, and stay in place  |
| 2. Sitting politely for petting  | 7. Come when called                            |
| 3. Good Appearance and grooming  | 8. No Reaction to another dog                  |
| 4. Walking on loose leash        | 9. Ignore Reactions to visual and distractions |
| 5. Walking through a crowd       | 10. Supervised separation                      |

### LRKC & MKC COVID-19 Operating Guidelines

The LRKC & MKC Cluster Organizers will complete the World Health Organization, Mass Gathering for Sports Risk Assessment Tool and will work with state and local governments and public health authorities prior to the start of our cluster to determine risks and mitigation measures.

### On Site Process and Procedures

LRKC & MKC shall require temperature monitoring for volunteers, officials, competition staff and service providers once daily prior to entering the show grounds. Anyone with a temperature of 99.5° F (37.5° C) or higher will not be allowed to enter the grounds. The following individuals will not be permitted on the show grounds:

- An individual who exhibits COVID-19 symptoms,
- An individual who has tested positive for COVID-19 within last two weeks, or
- An individual who has been in contact with someone who has tested positive for COVID-19 within the last two weeks.

THE LRKC & MKC will post signage that displays all applicable federal, state and local regulations, requirements and orders as well as WHO recommendations and CDC guidelines as they relate to mass gatherings and sporting events in effect at the show.

Signage will be posted at all entrances to the show grounds which identifies the symptoms of COVID-19 and states the following:

- To protect others from possible transmission of the virus, anyone who exhibits COVID-19 symptoms or has been in contact with someone who has tested positive for COVID-19 within the last two weeks (exception, healthcare personnel who have treated patients using appropriate medical-grade PPE during the course of performing professional duties), cannot enter the show grounds. These individuals are encouraged to contact their health care provider immediately for further medical advice and must obtain documented clearance from their health care provider before entering the show grounds. Participants must assume responsibility for themselves and their own staff (e.g. assistants, etc.).
- Recommendations about good hygiene along with information participants and others about ways to reduce the risk of COVID-19 transmission.

### **Social Distancing & Limiting Entries**

The LRKC & MKC Cluster shall enforce social distancing requirements throughout the show grounds at all times.

- Prohibit the public, spectators, and non-essential personnel such as guests from being on the show grounds. Non-participants may watch however, with social distancing and masks must be on at all times.
- Make Recommendations about good hygiene along with informing participants and others about ways to reduce the risk of COVID-19 transmission.
- Organize dog and exhibitor arrivals and departures to limit contact between people, (e.g. show time is 10am, must leave the area immediately after you show and cannot return unless you have another dog to show in another time slot)
- Arrange judges' and other officials' areas to comply with social distancing requirements.
- Restrict show office and judges hospitality access to essential personnel only, configure the space and limit the occupancy.
- Limited entry will be considered if necessary.
- Regardless of the scope of the limitation, the limiting of entries must be done on a first come, first served basis and relevant information will be posted on the Superintendent's/Show Secretary website.
- Configure grooming to comply with social distancing requirements in order to manage concentration of dogs and people.

### **Enforcement Authority**

Stewards, Club members and AKC officials will inform individuals when they are not in compliance with the regulations and requirements in effect at the show and shall report such situations to the Club Officials and AKC. The LRKC & MKC have the authority to remove from the facility any person who does not comply with the regulations and requirements in effect.

If an individual needs an accommodation under the American Disabilities Act, request should be submitted, along with documentation of the disability and need for accommodation, to Nina Fetter, Executive Dog Shows. Requests for accommodations will be reviewed on a confidential basis with a medical consultant.

Participants are required to comply with these and any additional Show Organizer requirements at all times while present on show grounds. Failure to do so may result in expulsion from the grounds.

These requirements are in effect immediately and until further notice, however, they are subject to revisions as the COVID-19 environment changes.

### **Recommended Best Practices for LRKC & MKC CLUSTER**

The following Recommended Best Practices have been provided to assist Show Organizers with determining risks and developing measures to mitigate those risks:

- Limit the number of entrances and exits to the show area to manage the number of individuals accessing the competition grounds. All entrances and exits must be manned to limit access.
- Communication – Use radio, cell phone communication methods as much as possible and communicate important information frequently throughout the show grounds.

### **Considerations for Club Members, Medical Personnel, Service Providers & Volunteers**

- Cleaning/Sanitizing Locations
- Provide hand sanitization stations with access to soap and water or alcohol based hand sanitizer at several areas through the grounds.
- Provide hand sanitizer to all officials, ring crew, clean up and medical officials.
- Ensure frequent cleaning and sanitizing of bathrooms, provide soap and water or alcohol-based hand sanitizer in bathrooms.

### **Ring Procedure**

- All dogs enter on one side of the ring and exit on the other side
- Dogs will stand in the designated box, where the judge will move down the line from each exhibit and examine the dog. The exhibitor and dog will move down and back from the same spot and then around coming back to the same spot. The judge will point to the dog for its placement while standing in the box (spaced 6 feet away from the other dogs). The judge will not move you around to put you in placement order. The club will provide markers to delineate 6 feet spacing between people in any waiting lines (e.g., markers on floor).  
Restrictions may vary according to the local health department.

### **Vendors**

- Advise any service providers (e.g. vendors, food-service) to take precautions in accordance with federal, state, local regulations and CDC guidelines
- Vendor area will be outside of the ring area to allow all day access, Vendors will comply with social distancing in their vendor space.

### Grooming area Considerations

- Restrict access to the grooming areas to veterinarians, exhibitors, officials and other essential personnel.
- Remind all exhibitors in the grooming areas to comply with all best practices and guidelines in effect at the show through signage.
- NO BLOW DRYERS, FORCE DRYER, OR FANS IN THE GROOMING TENT
- No crates or dogs left in the building.
- You can bring your dogs in 15 minutes before showing and must leave 15 minutes after showing.
- Provide hand sanitization stations in the grooming area.

**A wavier must be signed and a wrist band will be given to you  
and one for your temperature**
