- There will be no extra activities (raffles, temperament tests, Bar-B-Q)
- Regardless of the scope of the limitation, the limiting of entries must be done on a first come, first served basis and relevant information will be posted on the Superintendent's website.
- Configure grooming to comply with social distancing requirements.

Enforcement Authority

Stewards, Club Members, and AKC officials will inform individuals when they are not in compliance with the regulations and requirements in effect at the show and shall report such situations to the Club Officials and AKC. The SHCGC has the authority to remove from the facility any person who does not comply with the regulations and requirements in effect.

If an individual needs an accommodation under the American Disabilities Act, request should be submitted, along with documentation of the disability, and need for accommodation, to Nina Fetter, Executive Dog Shows. Requests for accommodations will be reviewed on a confidential basis with a medical consultant. Participants are required to comply with these and any additional Show Organizer requirements at all times while present on show grounds. Failure to do so may result in expulsion from the grounds. These requirements are in effect immediately and until further notice, however, they are subject to revisions as the COVID-19 environment changes.

Recommended Best Practices for SHCGC

The following Recommended Best Practices have been provided to assist Show Organizers with determining risks and developing measures to mitigate those risks:

- Limit the number of entrances and exits to the show area to manage the number of individuals accessing the show grounds. All entrances and exits must be manned to limit access. Communication – Use radio and cell phone communication methods as much as possible and communicate important information frequently throughout the show grounds.

Considerations for Club Members, Medical Personnel, Service Providers, & Volunteers

- Cleaning/Sanitizing Locations
- Provide hand sanitization stations with access to soap and water or alcohol based hand sanitizer at several areas throughout the grounds.
- Provide hand sanitizer to all officials, ring crew, clean-up and medical officials.
- Ensure frequent cleaning and sanitizing of bathrooms, provide soap and water or alcohol based hand sanitizer in bathrooms.

Ring Procedure

All dogs enter on one side of the ring and exit on the other

Dogs will stand in the designated box, where the judge will move down the line from each exhibit and examine the dog, the exhibitor and dog will move down and back from the same spot and then around coming back to the same spot. The judge will point to the dogs for its placement while standing in the box (spaced 6 feet away from the other dogs). The judge will not move you around to put you in placement order.

Provide markers to delineate 6 feet spacing between people in any waiting lines (e.g., markers on floor).

Parking Considerations

Parking area will be maintained completely separate from show area. RV parking is separate from regular auto parking.

Parking area is no less than 100 feet from show area.

RV's will be parked no less than 15 feet apart. They will all be parked facing the same direction to ensure maximum separation of RV entrance/exits.

Automobiles will be parked in a separate area and will be parked no less than 6 feet apart.

There will be no gatherings of any kind at any time allowed in any parking area.
