Veteran (10 years & older): For dogs & bitches at least ten (10) years of age and older the day of the show.

Dogs/Bitches entered in Veterans need not be intact. Winners of these classes, if otherwise undefeated are eligible for Best of Breed Competition

Non-Regular (Additional) Classes Involving Multiple Dog Entries (ACCC National Specialty Only)

Note: Chapter 11, Section 8 of the Dog Show Rules provides that castrated males may be entered as Stud Dog & spayed females may be entered as the Brood Bitch.

As the judges decision in the Non-Regular Classes involving multiple dog entries is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won these classes.

STUD DOG CLASS—For Stud dogs and two of their Get. It is not necessary that the Get be under the same ownership of the Stud Dog. The Stud dog may be entered separately in one of the regular classes, or if a Champion of Record in Best of Breed Competition, but **MUST** be entered in the Stud Dog Class, the Get **MUST** be entered in one of the regular classes. The Stud Dog must be shown in the ring with the Get. The class will be judged on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under AKC Dog Show Rules, AKC Policy, or the standard of the breed.

BROOD BITCH CLASS—Same as for the Stud Dog except substitute Brood Bitch for Stud dog and Produce for Get.

BRACE CLASS—Two dogs with at least one or more common owner. The two dogs comprising a Brace **MUST** be named at time of entry. An entry form for a dog entered in another class & entered as part of a Brace **MUST** be marked accordingly in the space provided for Additional Class, "Brace Class." If more than one Brace is entered by one or more common owner, the dogs comprising **EACH** brace must be designated "Brace No. 1, Brace No. 2", etc. First place only to be awarded. A Rosette will be awarded to First Place.

****Please designate the other members of the Brace on the entry form for each dog****

AWARDS OF MERIT—(Where offered)

At the discretion of the judge, up to five (5) Awards of Merit may be awarded in the Best of Breed judging. The Winners of Best of Breed, Best of Winners, Best Opposite Sex, Select Dog and Select Bitch are to be selected first and those winners are not eligible for Awards of Merit. A rosette will be given to each Award of Merit winner.

JUNIOR SHOWMANSHIP COMPETITION

Novice Junior 9 & under 12 years · Novice Intermediate 12 & under 15 years
Novice Senior 15 & under 18 years · Open Junior 9 & under 12 years
Open Intermediate 12 & under 15 years
Open Senior 15 & under 18 years · Master Class

Novice Class—Shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or members show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent prior to the judging of the class at the show.

Open Class—Shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three (3) first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to open in a licensed or member show.

The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed, all participants return to the Open Class to compete for the following year.

No entry may be changed or cancelled unless notice of the change or cancellation is received in writing by the Superintendent named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer is made by the Superintendent prior to the judging of the class at the show.

NOTICE:

Junior Handlers must include their AKC Junior Handler Number on each entry.

You may obtain your Junior identification number by calling the AKC Judges Education Department at (919) 233-9767.

The AKC National Owner-Handled Series will be conducted following Best of Breed judging in each breed ring. All dogs in the BOB competition (including WD & WB) will stay in the ring after the judge makes their placements in BOB competition. The ring steward will ask all professional handlers, household members and current assistants to professional handler to leave the ring and then the judge will then select the Best Owner-Handled (BOH). The dog and its owner will continue to accrue points for any group placements or Bests in Show. The top-ranked dogs from the AKC National Owner-Handled Series are posted on the AKC National Owner-Handled Series Points Ranking page. Rankings of the dogs competing in the Series are compiled based on the Best of Breed, Group, and Best in Show placements in this specific Series competition (See Point Schedule). The end of year competition for the AKC National Owner-Handled Series will be held in conjunction with the AKC show in December. Dogs that finished ranked in the top ten (plus ties) for their breed during the qualifying period will be allowed to compete in the competition. Dogs exhibited by professional handlers on the day of the event are not eligible for this competition. Dogs exhibited by current assistants and household members of a professional handler on the day of the event are not eligible to enter this competition. Current assistants that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may participate in NOHS. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. For more information about the Series or if you have questions about hosting these events, please contact the AKC Events department at (919) 816-3579 or eventnews@akc.org.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
