Attention

PARENTS & GUARDIANS

We are excited to welcome you and your children to our National Specialty Week. As we strive to create a safe and enjoyable environment for all attendees and exhibitors, we kindly remind you of the importance of supervising your children throughout the week.

It is essential to ensure your child's safety and well-being by keeping a watchful eye on them. By supervising your children, you help prevent accidents, ensure they do not wander off, make sure they remain within safe areas and are not a distraction to exhibitors during shows.

Here are a few tips to help keep your children safe during the event:

1. **Stay Close:** Always keep your children within your line of sight.
2. **Set Ground Rules:** Establish boundaries and rules for your children to follow during the event.
3. **Buddy System:** Pair your child with a buddy to ensure they are not alone at any time.
4. **Identify Safe Spots:** Show your children designated safe spots where they can go if they get separated from you.
5. **Emergency Contact:** Make sure your child knows your phone number and understands what to do in case of an emergency.

Your cooperation is essential in making this event a positive and safe experience for everyone. We appreciate your attention to this matter and look forward to seeing you at the ACCC National Specialty Week.

Warm regards,
ACCC Show Committee

Veteran (7-10 years): For dogs & bitches at least seven (7) years of age and under ten (10) years of age the day of the show.

Veteran (10 years & older): For dogs & bitches at least ten (10) years of age and older the day of the show.

Dogs/Bitches entered in Veterans need not be intact. Winners of these classes, if otherwise undefeated are eligible for Best of Breed Competition

Non-Regular (Additional) Classes Involving Multiple Dog Entries (ACCC National Specialty Only)

Note: Chapter 11, Section 8 of the Dog Show Rules provides that castrated males may be entered as Stud Dog & spayed females may be entered as the Brood Bitch.

As the judge's decision in the Non-Regular Classes involving multiple dog entries is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won these classes.

STUD DOG CLASS—For Stud dogs and two of their Get. It is not necessary that the Get be under the same ownership of the Stud Dog. The Stud dog may be entered separately in one of the regular classes, or if a Champion of Record in Best of Breed Competition, but **MUST** be entered in the Stud Dog Class, the Get **MUST** be entered in one of the regular classes. The Stud Dog must be shown in the ring with the Get. The class will be judged on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under AKC Dog Show Rules, AKC Policy, or the standard of the breed.

BROOD BITCH CLASS—Same as for the Stud Dog except substitute Brood Bitch for Stud dog and Produce for Get.

BRACE CLASS—Two dogs with at least one or more common owner. The two dogs comprising a Brace **MUST** be named at time of entry. An entry form for a dog entered in another class & entered as part of a Brace **MUST** be marked accordingly in the space provided for Additional Class, "Brace Class." If more than one Brace is entered by one or more common owner, the dogs comprising **EACH** brace must be designated "Brace No. 1, Brace No. 2", etc. First place only to be awarded. A Rosette will be awarded to First Place.

***Please designate the other members
of the Brace on the entry form for each dog***

Special Attraction: Best Puppy Competition - During the course of regular judging, the assigned judge will select a Best Puppy from the Puppy Class winners. This will be done after the Best of Breed Competition, unless the Best Puppy award is automatic. Example: An entry from the Puppy class is awarded Best of Winners or Best of Breed. Only dog and bitches undefeated in a Puppy class are eligible for Best Puppy competition. If the first-place winner is not present, the second-place winner may not compete. Dogs & Bitches in the 6-9 Months and 9-12 Months and will compete for Best Puppy.

No additional fee is required.

Special Attraction: Best Bred-by Exhibitor will be selected from the First-Place Winners of the Dog and Bitch Bred-by-Exhibitor classes. The person handling the dog must be a breeder of record of the dog and an owner of the dog. Family members must be both a breeder and owner of record to exhibit in the class. Any entry in the Bred-by-Exhibitor classes that is awarded Best of Breed or Best of Winners would automatically be Best Bred-by-Exhibitor. Only the dog or bitch not defeated in Bred-by-Exhibitor are eligible for the Best Bred-by-Exhibitor competition.

Best Bred-by-Exhibitor receives a prize of one free litter registration, donated by AKC. This is for the National ACCC shows.

No additional fee is required.

Best Bred by Exhibitor is not eligible for Best Puppy.

Special Attraction: Best Veteran Competition - During the course of regular judging, the assigned judge will select a Best Veteran from the Veteran Class winners. This will be done after the Best of Breed Competition, unless the Best Veteran award is automatic. Example: An entry from the Veteran class is awarded Best of Winner or Best of Breed. Only dog and bitches undefeated in a Veteran class are eligible for Best Veteran competition. If the first-place winner is not present, the second-place winner may not compete. Neutered and spayed dogs and bitches may compete.

No additional fee is required.

AWARDS OF MERIT (Where offered)

At the discretion of the judge, up to five (5) Awards of Merit may be awarded in the Best of Breed judging. The Winners of Best of Breed, Best of Winners, Best Opposite Sex, Select Dog and Select Bitch are to be selected first and those winners are not eligible for Awards of Merit. A rosette will be given to each Award of Merit winner.

The AKC National Owner-Handled Series will be conducted following Best of Breed judging in each breed ring. All dogs in the BOB competition (including WD & WB) will stay in the ring after the judge makes their placements in BOB competition. The ring steward will ask all professional handlers, household members and current assistants to professional handler to leave the ring and then the judge will then select the Best Owner-Handled (BOH). The dog and its owner will continue to accrue points for any group placements or Bests in Show. The top-ranked dogs from the AKC National Owner-Handled Series are posted on the AKC National Owner-Handled Series Points Ranking page. Rankings of the dogs competing in the Series are compiled based on the Best of Breed, Group, and Best in Show placements in this specific Series competition (See Point Schedule). The end of year competition for the AKC National Owner-Handled Series will be held in conjunction with the AKC show in December. Dogs that finished ranked in the top ten (plus ties) for their breed during the qualifying period will be allowed to compete in the competition. Dogs exhibited by professional handlers on the day of the event are not eligible for this competition. Dogs exhibited by current assistants and household members of a professional handler on the day of the event are not eligible to enter this competition. Current assistants that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may participate in NOHS. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. For more information about the Series or if you have questions about hosting these events, please contact the AKC Events department at (919) 816-3579 or eventnews@akc.org.
